Defense Attorney: J. Houston Goddard Date Supervision Expires: April 18, 2024

PETITIONING THE COURT

To incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court on 01/20/2021.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

4

Special Condition #16: You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On June 11, 2021, Chad Anderson is alleged to have violated the conditions of his supervision by failing to provide a valid urine sample when he was subject to phase urinalysis testing at Pioneer Human Services (PHS), thus being considered to have "stalled."

On April 19, 2019, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Mr. Anderson, as outlined in the judgment and sentence. He signed the judgment acknowledging the requirements.

Additionally, on April 19, 2019, Mr. Anderson reviewed and signed the substance abuse testing instructions acknowledging his understanding of the urine testing program. He was instructed to call the PHS color line system daily. When directed, he was to report to PHS and submit to a drug screen.

Re: Anderson, Chad Michael

July 20, 2021

Page 2

On August 14, 2018, the undersigned received a report from Alere which confirmed the sample as positive for methamphetamine. On June 14, 2021, PHS notified the undersigned officer that the offender had reported for phase urinalysis testing on June 11, 2021, but failed to provide a valid urine sample and was considered to have “stalled.”

- 5 **Special Condition #16:** You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: On June 11, 2021, Chad Anderson is alleged to have violated the conditions of his supervision by failing to provide a valid urine sample when he was subject to phase urinalysis testing at PHS, thus being considered to have “stalled.”

On April 19, 2019, an officer with the U.S. Probation Office in Spokane, Washington, reviewed a copy of the conditions of supervision with Mr. Anderson, as outlined in the judgment and sentence. He signed the judgment acknowledging the requirements.

Additionally, on April 19, 2019, Mr. Anderson reviewed and signed the substance abuse testing instructions acknowledging his understanding of the urine testing program. He was instructed to call the PHS color line system daily. When directed, he was to report to PHS and submit to a drug screen.

On June 14, 2021, PHS notified the undersigned officer that the offender had reported for phase urinalysis testing on June 11, 2021, but failed to provide a valid urine sample and was considered to have “stalled.”

On June 14, 2021, this officer contacted Mr. Anderson to discuss the information received from PHS. The offender claimed he could not provide a sufficient sample because he was “overwhelmed with a lot.” Mr. Anderson subsequently admitted to the use of methamphetamine and marijuana on or about June 11, 2021, but insisted that he did not consume illicit substances until after he failed to submit to phase urinalysis testing.

On June 15, 2021, the offender reported to the U.S. Probation Office to meet with the undersigned officer and signed an admission of use form confirming that use.

The U.S. Probation Office respectfully recommends the Court to incorporate the violations contained in this petition in future proceedings with the violations previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on: 07/20/2021
